

JHU encourages all students to apply for private scholarships, as they can be used to reduce your summer savings expectation and work study expectation. Your Hopkins grant will only be reduced if the total amount of your private scholarships is greater than the summer savings expectation and work portions of your financial aid offer. Contact Student Financial Services for more information at [finaid.jhu.edu/contact](http://finaid.jhu.edu/contact).

.....

If your outside award source requires:

- A copy of your academic transcript at the end of the semester or at the end of the academic year, you may request a transcript from the Registrar's Office (410) 516-7088.
- Verification of enrollment, you may request that from the Registrar's Office (410) 516 8499. 1
- An invoice, you may request that the Student Accounts Office (410)-516-8158 send one.

You are responsible for making the appropriate request(s) in a timely manner.
